

Privacy policy

This policy page is modified on March 6, 2019

On this page we will let you know what kind of information we collect when you use our website, why we collect data and how we will improve your user experience. We are aware that you have confidence in us and therefore it is our responsibility to protect your privacy. This privacy policy applies to the services that Pop-up LEDbox is providing. Be aware that Pop-up LEDbox is not responsible for the privacy policy on websites and sources of resellers. By using this website you accept our privacy policy. Pop-up LEDbox respects the privacy of all users and ensures that all personal information will be treated confidentially.

USE OF COLLECTED DATA

Collected data

When you sign up for one of our services, we ask you to provide your personal information for creating an account to use our online order system. We will use this data to process orders as quickly as possible. If you create an account on our website you also agree to the privacy policy of Pop-up LEDbox. This data will be stored and secured on Pop-up LEDbox it's servers or on servers of a third party. We will not combine personal information with other information that we have collected.

Communication

We may retain messages or emails that you send to us. Sometimes we need personal details whom are relevant to some questions that are asked. Only then it is possible to process the question as requested. This data will be stored and secured on Pop-up LEDbox it's servers or on servers of a third party. We will not combine personal information with other information that we have collected.

Cookies

We collect data for research and to gain better insight in our customers behaviour. So we could tailor our services accordingly. We use "cookies" to analyze our users behaviour on our website. We keep track on how you use the website, to compile reports based on website activity, so we could offer other services relating to the website activity and internet usage. The information that we generated via cookies are transferred to Pop-up LEDbox it's servers of those of a third party.

Purposes

We do not collect or use information for other purposes than the purposes we described above, unless we obtained your consent.

Third parties

In some cases the information can be shared internally. Our employees are obligated to respect your privacy and will not share information with third parties.

Adjustments

This privacy statement is tailored on the possibilities and use of our website. Any changes or/and adjustments to this site, may lead to changes in the privacy statement. Therefore we advice to consult this privacy statement on a regular basis.

Personal data

We offer all visitors and customers the opportunity to view, change or delete any personal information provided to us.
